

## Evaluation of Prior Coursework

*This form should be returned to the Robotics Graduate Student Coordinator.*

NAME: \_\_\_\_\_

STUDENT ID #: \_\_\_\_\_ UMAIL: \_\_\_\_\_

### Transfer Institution

\_\_\_\_\_  
University Name

### Degree Conferred

Bachelor's

Master's

PhD Students with a conferred MS degree in Math, Science, or Engineering may count to 18-21 credit hours of previously completed course work towards the 33 required hours. List courses from a previously conferred degree below. For credit, you must include a copy of unofficial transcripts listing. These course credit hours must be approved by the student's research advisor and the Director of Robotics Studies. You may also be asked for course syllabi or other related materials.

### Courses for Evaluation

Semester	Course Name	Course Number	Cr.	Grade
Semester	Course Name	Course Number	Cr.	Grade
Semester	Course Name	Course Number	Cr.	Grade
Semester	Course Name	Course Number	Cr.	Grade
Semester	Course Name	Course Number	Cr.	Grade
Semester	Course Name	Course Number	Cr.	Grade

**Please attach the course syllabi from the semester in which you took the course (for each course to evaluate)**
